

Access **Bright Horizons**® webinars and resources to help you and your family prepare for the 2021 school year. All webinars are available on-demand after the live event date.

## **Back-to-School Resources**

### [Preparing for Back-to-School in 2021](#)

As we head into the new school year, fragments of uncertainty remain from the COVID-19 pandemic. Use these suggested strategies to help prepare your young learner for returning to school in 2021.

### [How to Prepare Your Child for Preschool](#)

Starting preschool marks the beginning of a new phase in your child's development. Use these tips from Bright Horizons to prepare your toddler for preschool.

### [Learning How to Learn: Tips for Developing Executive Function Skills at Home](#)

Executive function skills are strong predictors of success later in life. Read these fun ways children can develop executive function skills at home.

### [Teach. Play. Love. Episode 28: The Year of Learning Loss](#)

This past year of changes to the school system has many parents concerned whether their kids are academically behind. Listen to this Teach. Play. Love. podcast episode to hear what our experts have to say about the pandemic school year, and the best ways to keep kids learning.

### [Teach. Play. Love. Episode 29: Making Up for Lost Social Time](#)

Did your child's social skills take a step back after going through a year of limited interaction with other people? Our child development experts discuss how to help your child rediscover the joy of being around others.

### [The Work-Life Equation Podcast REPLAY: Summer's Over! Back to School](#)

Listen to this podcast episode to get tried-and-true tips straight from the host and guest extraordinaire for the new school year, including how to delegate family tasks (hint: kids can help, too!), ways to avoid overload, and why it's ok to say "no" to volunteer gigs, guilt free.

# Back-to-School Support Webinars

## Parenting Workshop: Preparing for Back to School

As you start to prepare for the 2022 school year after months of worries and unstructured learning, our workshop will help you learn how to make the most of learning with your child at home, optimize learning with play and unstructured time, and encourage social development.
